The Courage to Speak Foundation, Inc. was founded by Ginger and Larry Katz in an effort to foster open communication about the prevention of alcohol and other drug abuse among young people. Ginger has been inspired to speak out by the untimely death of her son, Ian, from a drug overdose. Since 1996, she has given over 1,000 presentations nationally to hundreds of thousands of people. Ms. Katz spearheaded the development of the Courage to Speak Foundation Drug Prevention Education School-Based Curricula with a team of experts in prevention for elementary, middle and high school and Courage to Speak -Courageous Parenting 101 for parents, evaluated by Yale University.

Issues to be addressed:

- Signs to look for
- Alcohol and drug prevention
- The code of silence and its dangers
- Addiction and its impact on families
- What to do if your child is using drugs including alcohol
- How to recognize risky behaviors and relationships
