

VIRGINIA (“GINGER”) KATZ

CEO and Founder, The Courage To Speak® Foundation, Inc.

Mission: Saving lives by empowering youth to be drug free and encouraging parents to communicate effectively with their children about the dangers of drug.

Founded in 1996 shortly after Ginger and Larry Katz lost their son, Ian, to a drug overdose and dedicated to fulfilling a promise Ginger made to Ian to do everything in her power to prevent this tragedy from happening to another family.

Core Activities: Educational presentations, proprietary school-based programs/curriculum, parenting programs/curriculum, books and videos that empower students and their parents to break through the silence and denial surrounding substance abuse to honestly communicate about the dangers of alcohol and other drugs.

Major Accomplishments

- **Delivered approximately 1000 prevention presentations nationwide** to schools (elementary through college), civic organizations, law enforcement forums, medical forums, provider and prevention organizations, corporations, conventions, conferences and other forums throughout the country.
- **Developed the Courage to Speak Drug Prevention Curriculum for Middle Schools.** Now in its twelfth year of implementation in many schools across the country, based in Norwalk, CT. Start 2000 to present. Thirteen lesson curriculum plus two booster lessons taught by health class teachers and language art teachers. This program was developed by a team of experts in prevention.
- **Developed the Courage to Speak Drug Prevention Curriculum for High Schools.** Twelve lesson curriculum taught by health class teachers and includes *Sunny's Story*. This program was developed by a team of experts in prevention.
- **Developed the Courage to Speak Prevention Curriculum based on *Sunny's Story* for Elementary Schools.** Over 100 classroom teachers trained by the Courage to Speak Foundation reaching many schools since 2007. Taught by language art and health teachers for Grades 4-7. This program was developed by a team of experts in prevention.
- **Developed the Courage to Speak Drug Prevention Education for After School Programs - New –** Based on *Sunny's Story* for students in Grades 4-7. Adapted from the Courage to Speak Drug Prevention Curriculum for Elementary Schools. Four Sessions.
- **Developed the Courage To Speak Drug Prevention Parenting Curriculum *Courage to Speak - Courageous Parenting 101*®.** Launched in 2008, a free multi-session course implemented by Courage to Speak Foundation trained facilitators as a follow up to the *Courage to Speak Presentation* and or video. The program is rapidly growing and has been implemented in over 75 times in communities in 5 states. To date, 109 instructors have been trained to teach this course in English and Spanish. This program was developed by a team of experts in prevention. **Offered free to parents.**
- **The Courage to Speak Empowering Youth to Be Drug Free Family Night 2005 –2013.** Exciting event involving all aspect of the community. Parents, children community leaders, state and local officials, law enforcement, clergy, business men and women to engage the home, school and community and join together to make a stand to empower youth to be drug free. **Featuring the work of the students who participate in The Courage to Speak Drug Prevention Curriculum (grades 4, 5, 6 and 7th).**
- **Launched website, www.couragetospeak.org.** Information clearinghouse.

- **Authored Children's and Parenting Book**, March 6, 2007 called *Sunny's Story*- written by Ginger Katz, a compelling story for children, teenagers, parents, grandparents, educators and more. It tells of joyful times and of sad times and of how a dog's best friend was needlessly lost to drugs. Narrated by the family beagle who tried to wake Ginger up the night Ian died. It is read at dinner tables across the country, as part of *The Courage to Speak Drug Prevention Curriculum* and as a stand-alone book in many schools.
- **Created the Courage to Speak Support Group**. A lifeline for parents who have lost children to substance abuse (est. 2000). Established in 2009, a support group for family members who have young and adult children that are using drugs.
