

## The Courage to Speak® Foundation Lunch Box Series

The Affinion Group recognizes the need for community education and is pleased to offer The Courage to Speak Foundation's Lunch Box Series for all employees. During this lunch hour, the *Courage to Speak Presentation* will be given by Ginger Katz, CEO and Founder of the Foundation. The presentation will be followed by a brief seminar, taught by Larry Katz, Co-Founder, so parents can learn how to keep their children safe from drugs.

The seminar will cover:

- Teen Drug Use
- Signs and Symptoms
- Addiction and its physiological consequences
- The power of denial
- Communication and listening skills
- Sources of help and more

The organization was founded in 1996 by Ginger and Larry Katz, and is devoted to fulfilling a promise Ginger made to her son Ian, who died when he was just 20 years old of an accidental drug overdose – to do everything in her power to prevent this tragedy from happening to another family. Since 1996 Ms. Katz has given over 1000 presentations and has reached over a million people across the nation, encouraging parents to communicate effectively with their children about the dangers of drugs.
