"We need to learn about these things before it's too late...the most important thing this program teaches is not to be afraid...it's better to talk out your problems than to resort to drugs."

Julie, 7th Grade, West Rocks Middle School

Dear Friend:

Through The Courage to Speak® Foundation programs, students like Julie are learning that the key to a healthy and happy tomorrow is to live drug-free. Thanks to community partners and local supporters like you, we are succeeding in our mission to save young lives and keep our children safe from drugs.

To help continue this mission, the Foundation will host its **8th Annual Courage To Speak® Empowering Youth to Be Drug-Free Family Night** on March 20, 2012, 5:15 p.m., at West Rocks Middle School in Norwalk (*snow date: March 21*). This festive event brings families, educators, teachers, school administrators and community leaders together to affirm their shared commitment to keeping our kids drug-free. Proceeds from the event support Courage to Speak® Foundation programs and curricula to educate children and their parents about the dangers of drug and alcohol use.
