SUNNY'S STORY How to Save a Young Life is a true and compelling story for children, teenagers, parents, grandparents, and teachers written by Norwalk, CT resident, Virginia "Ginger" Katz, who has brought new life to her message of empowering youth to be drug free. *Sunny's Story* tells of joyful times and sad times, and of how a dog's best friend was needlessly lost. The family beagle and narrator, Sunny, is a keen and intelligent observer of the

animal shelter and ending with a futile effort to ward off disaster.

Sunny's Story is a stand-alone book for children of all ages and their parents, and is also part of the Courage to Speak Foundation, Inc. Substance Abuse Prevention Education Curricula. The book's story of love, compassion, caring and understanding is universal.
