The Courage to Speak Foundation, Inc. was founded by Ginger Katz in an effort to foster open communication about the prevention of alcohol and other drug abuse among young people. Ginger has been inspired to speak out by the untimely death of her son Ian from a drug overdose. Since 1996, she has given over 1,000 presentations nationally to hundreds of thousands of people. Ginger also authored the book *Sunny's Story*. This drug prevention story tells of joyful times and sad times, and of how a dog's best friend was needlessly lost to drugs. *Sunny's Story* is narrated through the eyes, ears and mind of Sunny, the family beagle. It is about the ups and downs of life with his young master, beginning with their meeting at an animal shelter, and ending with a futile effort to ward off disaster.

Issues to be addressed:

- Signs to look for
- Alcohol and drug prevention
- The code of silence and its dangers
- Addiction and its impact on families
- How to recognize risky behaviors and relationships
