

# THE COURAGE TO SPEAK® FOUNDATION PROGRAMS AND SERVICES

## **The Courage To Speak Presentation:**

To date, over 1000 presentations have been made across the country to over a million people: students in middle schools, high schools and colleges, parent groups, civic organizations, churches, corporations and state and national conventions.

## **The Courage To Speak Drug Prevention Curriculum for Elementary Schools:**

(Based on the book *Sunny's Story* written by Ginger Katz), an eight lesson curriculum developed by a team of experts and implemented in 4th to 6th grades in schools.

## **The Courage To Speak Drug Prevention Curriculum for Middle Schools:**

This unique Drug Prevention Curriculum for Middle Schools has been developed by a team of experts and implemented for 7th graders in schools.

## **The Courage To Speak Drug Prevention Curriculum for High Schools:**

A complementary high school program.

## **The Courage To Speak Drug Prevention Parenting Curriculum called "Courage to Speak – Courageous Parenting 101™":**

A five-session course that educates parents to keep their children safe from drugs developed and implemented by prevention experts as a follow up to The Courage To Speak Parent Presentation. Many programs are being rolled out and over fifty facilitators are certified by the Courage to Speak Foundation to teach the program nationwide.

## **The Courage To Speak Website [www.couragetospeak.org](http://www.couragetospeak.org):**

A comprehensive resource for parents, students, educators and families.

## **The Courage To Speak Support Groups:**

Meetings for parents and family members who have lost a child to substance abuse and another for parents who have children that are using drugs.

## **The Courage To Speak Video:**

The Courage to Speak Video Presentation and Facilitator's Guide inspires an open and honest discussion between adults and children about issues facing our youth today.

## **The Courage To Speak Help-Line:**

Provides families seeking aid for addicted children with a broad base of information about treatment facilities, counseling, support and other relevant data.

## **The Courage To Speak Community Information Campaign:**

Disseminates information to children, parents, educators and others through print, radio and television media. The Foundation is an important media resource for information related to drug prevention at the local, regional and national level.

## **The Courage To Speak Family Night:**

Exciting media event involving all aspect of the community. Parents, children, community leaders, state and local officials, business and community leaders join together to make a stand to empower youth to be drug free. Featuring the work of the students who are participating in the Courage to Speak Curriculum and the Courage To Speak Presentation.
